05 / WORKSHOP REFERENCE

Prepared fallback answers

Checked teaching references. These are not live AI output.

These are checked teaching references. Actual rehearsal observations are in 08-rehearsal-checks.pdf.

Opening Acknowledgement

Hello Parklands Learning Centre, thank you for the enquiry about cleaning your 400 m² offices three evenings a week and the windows monthly.

We have noted your KES 120,000 monthly budget including tax and requested 16 November start, subject to scope and availability checks.

Please confirm window count, dimensions, height and access so we can prepare a costed proposal. No price or start date is confirmed.

Rfq Checklist

Section 2.1 Mandatory: business registration certificate.

Section 2.2 Mandatory: current tax compliance certificate.

Section 2.3 Mandatory: two office-cleaning references from the past 24 months.

Section 2.4 Mandatory: proposed supervisor's name and role.

Section 2.5 Mandatory: signed quote with routine cleaning, windows, tax and monthly total.

Section 2.6 Mandatory: one-page method statement covering chemicals and site access.

Section 3: monthly budget ceiling KES 120,000 inclusive of applicable taxes; state assumptions, exclusions and clarifications. No prescribed market or tax rate.

Section 4: one PDF; deadline Friday 6 November 2026 at noon EAT. Prepare one PDF for the procurement portal.

Section 4: optional site visit Monday 2 November at 10 AM EAT; not a mandatory bidding condition.

Section 5 explicit rejection grounds: late; missing a mandatory Section 2 item; unsigned quote; over budget.

Section 6 missing: window count, dimensions, height, external high-level access; clarification method/deadline; payment terms; insurance; minimum staffing.

Three useful clarifications: full window scope and safe access; payment terms; how and when to submit clarification questions.

Do not describe unspecified items as mandatory.

If notebook citations fail, open the original text and inspect these sections directly. This reference does not simulate clickable model citations.

Check the estimate.

Quote Checks

100 m², three visits weekly, windows: cleaning 23,400; windows 6,000; subtotal 29,400; assumed tax 4,704; total 34,104.

100 m², three visits weekly, no windows: total 27,144.

400 m², three visits weekly, windows: total 115,536; below the 120,000 budget by 4,464. Missing scope still prevents a final commercial quote.

Blank, zero, negative, non-numeric or non-finite area: no valid quote.

Open quote-calculator.html offline to demonstrate the actual calculation and controls.

Marketing Plan - Prepared Example

Audience: office managers in Parklands. Aim for three qualified enquiries in seven days; a target, not a forecast. Qualified means location, approximate floor area and preferred schedule are supplied.

Mon · 2 Nov: Answer a question. What should an office-cleaning enquiry include? Visual: A simple checklist graphic. DM OFFICE with location, floor area and schedule.

Wed · 4 Nov: Explain the process. Working around office hours starts with an access plan. Visual: Your own photo of prepared equipment; no client details. DM OFFICE and tell us your preferred cleaning times.

Fri · 6 Nov: Invite a conversation. Planning regular office cleaning? Start with the scope. Visual: A clear service checklist. DM OFFICE with the three details needed for a quote.

Monday Caption

Planning office cleaning in Parklands? A useful quote starts with a few details: your location, approximate floor area and preferred cleaning days and times. Safi Services & Supplies handles office floors, desks, washrooms and waste to your on-site collection point, with staff, products and equipment included. Need windows cleaned too? We'll confirm the scope and safe access first. DM OFFICE with those three details. We'll discuss the scope and availability before confirming a price or start date.

Whatsapp Status

Office cleaning in Parklands? Message OFFICE with your location, approximate floor area and preferred schedule. We'll confirm scope and availability before pricing.

Save And Reuse

Copy the Sales & Content Kit into your usual document or phone note. Update the weekly brief, review each draft and publish manually. Record actual enquiries, qualified enquiries, site visits and quote requests. The editable CSV leaves these results blank.
